

# FANTINI & GORGA

265 Franklin Street  
Boston, MA 02110-3120

[www.fantinigorga.com](http://www.fantinigorga.com)

Fantini & Gorga ([www.fantinigorga.com](http://www.fantinigorga.com)) is a commercial mortgage banking firm, which places financing for real estate properties and development projects located primarily within New England. The company arranges debt, equity and mezzanine financing for a broad spectrum of property types, including apartments, office, industrial, retail, hotel, and storage. Fantini & Gorga also acts as a correspondent for major institutional lenders and services a portfolio of loans.

## Analyst

Analysts at Fantini & Gorga support seasoned mortgage bankers in the following areas:

- Financial and credit analysis of transactions originated by the mortgage banker;
- Production of financing memorandum;
- Obtaining and analyzing financing proposals from capital sources;
- Providing due diligence information required for transaction approval by the capital source;
- Monitoring the closing process.

Qualified candidates will have

- A bachelor's degree;
- At least one year of experience in commercial real estate or commercial loan credit analysis;
- Facility with Excel, Word, and other commonly used programs; knowledge of Argus would be a plus;
- Good skills in financial analysis and communication (both oral and written);
- Ability to excel in a team environment while taking individual responsibility for getting the job done.

## Disclaimer

The above job description has been designed as a guideline and is not intended to be an all-inclusive list of duties and standards of the position.
